

Quokka!

Welcome to the print and play version of Quokka.

The game cards are in 4 pdf files forming 18 double sided cards

Quoka\_letters\_1.pdf is the reverse side of Quoka\_categories\_1.pdf

and

Quoka\_letters\_2.pdf is the reverse side of Quoka\_categories\_2.pdf

Don't worry if you can't print double sided as Quokka can still be played with two decks, one for letters and one for categories.

I hope you enjoy it!
